A460
Digital diesel electronics
N47/N67 engine
A462
Digital Motor Electronics
N55 engine
A460
Digital Motor Electronics
N55/N63 engine
A45
Digital Motor Electronics 2
N55/N63 engine
N55/N47/N55/N67 engine
A70
Transfer box
with transfer box
without transfer box
N55/N63/S63 engine
N47/N67 engine
A22
Instrument cluster control unit
N55/N63 engine
A116
Audio control panel
A49
Heating/air conditioning system
A49
Controller
A270
Body Domain Controller
A70
Integrated chassis management
with active steering
without active steering
A45
Active steering
A460
Dynamic stability control (DSC)
A462
Electromechanical power steer-ing
with lane change warning
without lane change warning
without rear axle lateral torque distribution
without rear axle lateral torque distribution and lane change warning
A245
Lane change warning
with Electronic Damper Control
with Vertical Dynamics Man-agement and Electronic Damp-er Control
with vertical dynamics man-agement
without Vertical Dynamics Man-agement and Electronic Damp-er Control
A289
Electronic Damper Control
A48
Vertical dynamics management
A40
Vertical dynamics management
N47/N67 engine
N55 engine
N55/N63 engine
N55/N63 engine
without high-beam assistant or all-round vision camera
with omnidirectional camera
with high-beam assistant
with terminating resistor
without terminating resistor
Hybrid
A2
Terminating resistor
A424
Reversing camera
with reversing camera
A96
Left headlight
